As we reflect on this past year, our biggest accomplishment was becoming an approved 501(c)3 organization! We also celebrated our first anniversary with Q&A Sessions by large animal vet Dr. Anna Russau from Warrenton Horse Works and small animal vet Dr. Andi Lindamood from Tidewater Trail Animal Hospital, an equine massage therapy demonstration by Courtney Davis from Tuliza Equine Massage, and of course, food, prizes, and fun!

We would like to thank you for your support in 2014. Through your donations of money and time, we have been able to help place animals in forever homes; provide resources to spay/neuter and care for a feral cat colony; and provide volunteer assistance to care for a dog several times a week so that she could stay with her elderly owner. We currently have a mixed-breed dog named Bootsie and two young, affectionate cats in foster care. All three are looking for their loving, forever homes.

Our goals in 2015 are to provide more educational events, offer assistance to more families, and expand our resources. There are many opportunities to support us: joining iGive, wooftrax, and GoodSearch; volunteering for events, animal care, grant writing or other administrative tasks; as well as monetary donations. Since we are an all-volunteer organization, donations go directly to the animals. The easiest and another important way to offer support is to tell others about us...help spread the word so we can help more animals and their families in 2015!

With our best wishes to you and your loved ones,

Rhonda, Karla, Keri, and Marianna

Animal Awareness & Assistance Board of Directors
