---

We celebrated our second anniversary with education, food, prizes, and fun! We had a Q&A Session by small animal vet Dr. Andi Lindamood from Tidewater Trail Animal Hospital, an equine massage therapy demonstration by Courtney Davis from Tuliza Equine Massage, and a body scoring demonstration by Katie Jackson from Sneek-a-Peek Farm! The heat kept many away, so we hope to see more supporters next year.

We would like to thank you for your support in 2015. Through your donations of money and time, we have been able to help place animals in forever homes; provide resources to spay/neuter and vet care; participate in some community events; and provide temporary homes for pets of families in need, reuniting them when possible. We currently have a mixed-breed dog named Bootsie (HW treatments Dec.-Feb.) and two young, affectionate cats in foster care. All three are looking for their loving, forever homes.

Our goals in 2016 are similar: to provide more educational events, offer assistance to more families, and expand our resources. There are many opportunities to support us by joining iGive, wooftrax, and GoodSearch. We are looking for more volunteers for events, foster care, grant writing or other administrative tasks. Since we are an all-volunteer organization, monetary donations go directly to the animals. We want to make our name more public, so please continue to help spread the word so we can help more animals and their families in 2016!

With our best wishes to you and your loved ones,

Rhonda, Karla, Keri, Ashley, and Marianna

Animal Awareness & Assistance Board of Directors
