We celebrated our third anniversary with education, food, prizes, and fun! We focused a little more on the games and pony pictures due to so many young attendees, but we still appreciated our special guests: Courtney Davis from Tuliza Equine Massage and Katie Jackson from Sneek-a-Peek Farm! We had terrific weather so more people came, and we hope to see even more supporters next year.

We would like to thank you for your support in 2016. Through your donations of money and time, we have been able to help place Bootsie (pictured left), Molly (chestnut pony), and Midnight (transformation pictured at bottom) in forever homes; provide resources to spay/neuter and vet care; create feral cat shelters; and provide temporary homes for pets of families in need, reuniting them when possible. We do not currently have any animals in foster care, although we have two cats that are available for sponsorship.

Our goals in 2017 are similar: to provide more educational events, offer assistance to more families, and expand our resources. There are many opportunities to support us by joining iGive, wooftrax, ResQwalk, and GoodSearch. We are looking for more volunteers for events, foster care, grant writing or other administrative tasks. Since we are an all-volunteer organization, monetary donations go directly to the animals. We want to improve our marketing, so please continue to help spread the word so we can help more animals and their families in 2017!

With our best wishes to you and your loved ones,

Rhonda, Karla, Keri, Ashley, and Marianna

Animal Awareness & Assistance Board of Directors
